SCHOOL ACCOUNTABILITY IMPROVEMENT SYSTEM

COMING SOON...

Educational legislation Every Student Succeeds Act (ESSA) places strong emphasis and importance on accountability systems. The implementation of the *School Accountability Improvement System (SAIS)* will support the ASDOE efforts to effectively monitor school performance to ensure our students are on the right college and career pathway before graduation!

WHY IS IT IMPORTANT?

- Increases student proficiency on statewide assessments
- Improves and broadens understanding of school performance
- Decreases the number of graduates needing remedial coursework at ASCC
- Better prepares students with necessary college, career, and life readiness skills

WHAT ARE THE OUTCOMES?

- Generates important school information
- Provides transparency and accountability
- Informs policy decisions to support schools
- Identifies struggling schools for immediate and appropriate support

WHEN WILL IT HAPPEN?

- SY2023-24: Pilot Year (All 29 schools)
- SY2024-25: Implementation (All 29 schools)
