

Summit 2024

This year is the 11th Annual American Samoa Close Up Summit. The Summit started from Monday December 09 to Thursday December 12, 2024. 80 high school students from Public and Non Public High Schools are involved in the Summit. Two representatives from the Close Up Foundation are here on island to conduct this Summit. The Summit is the collaboration of the Close Up Foundation and the ASDOE Secondary Office. The whole purpose of the summit, to help students understand about Government and also to discuss issues that affect our island. Also the whole idea of this summit is to help students engage and write their proposal about issues they feel will help our island. Their will presents their proposal to our legislative branch.

1. Sedzaeda Tiatia - will attend the University of Alaska this Spring, majoring in Accounting - Business

ASG Scholarships for ASCC Students

The American Samoa Department of Education (ASDOE) proudly congratulates the ASCC students who met all the ASG scholarship 2-year program criteria to pursue higher education for their outstanding achievements and dedication to academic excellence. These proudly graduates of Samoana, Nuuli Vocational Technical, and Tafuna High School ASDOE. They are a testament to the quality of education in our schools. The hard work, determination, and perseverance have earned them this recognition. We celebrate your accomplishments and wish you continued success as you embark on this exciting journey. Your achievements inspire us all, and we look forward to your future successes. Below are the four students who signed their contracts and are ready to start school this Spring, 2025.
